27 March 2023

REPORT OF THE AUDITOR GENERAL TO THE MEMBERS OF THE BOARD OF DIRECTORS OF THE GUYANA NATIONAL NEWSPAPERS LIMITED ON THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

Opinion

Chartered Accountants Chateram Ramdihal Chartered Accountants, Professional Services Firm have audited on my behalf the financial statements of Guyana National Newspapers Limited, which comprise the statement of financial position as at 31 December 2021, and the statement of income, statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements including a summary of significant accounting policies as set out pages 4 to 22.

In my opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Guyana National Newspapers Limited as at 31 December 2021, and its financial performance and its cash flows for the year ended in accordance with International Financial Reporting Standards (IFRSs) and the Companies Act 1991.

Basis for Opinion

I conducted my audit in accordance with International Standards on Auditing (ISAs) issued by the International Federation of Accountants (IFAC), the International Standards of Supreme Audit Institution (ISSAIs) and the Audit Act 2004. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of my report. I am independent of the Company in accordance with the ethical requirement that are relevant to my audit of the financial statements in Guyana, and I have fulfilled my other ethical responsibilities in accordance with these requirements. I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of Matter

I draw attention to Note 6 of the financial statements which shows the Company's trade receivables and other receivables and prepayments with a value of \$222.41M and \$7.76M, respectively, as at 31 December 2021. This recurring significantly high levels of receivables indicates uncertainty to the collection of these debts and casts doubt on the policies and procedures governing the debt collection. My opinion is not modified in respect of this matter.

Responsibility of Management and those charged with the Governance for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards, and the Companies Act 1991 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs and ISSAIs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs and ISSAIs, I exercise professional judgment and maintain professional skepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

I communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

D. SHARMA

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF GUYANA NATIONAL NEWSPAPERS LIMITED

Opinion

We have audited the financial statements of **Guyana National Newspapers Limited**, which comprise the statement of financial position as at December 31, 2021 the statement of income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as at December 31, 2021, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and the Companies Act 1991.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the company in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants ("IESBA Code"), and we have fulfilled our other responsibilities under those ethical requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We draw attention to Note 6 of the financial statements which shows the Company's trade receivables and other receivables and prepayments with a value of G\$222.41M and G\$7.76M, respectively, as at December 31, 2021. The recurring significantly high levels of receivables indicates uncertainty to the collection of these debts and casts doubt on the policies and procedures governing the debt collection. Our opinion is not modified in respect of this matter.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards (IFRSs) and the Companies Act 1991, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

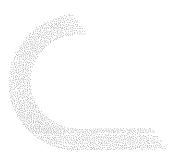

The engagement partner responsible for the audit resulting in this auditor's report is **Chateram Ramdihal**.

1. CORPORATE INFORMATION AND PRINCIPAL ACTIVITIES

The Guiana Graphic Limited was Incorporated on December 31, 1953 under the Companies Ordinance Chapter 328. This name was duly changed by special resolution on December 30,1965 to Guyana Graphic Limited. On November 14,1975 another Special Resolution was passed changing the Company's name from Guyana Graphic Limited to Guyana National Newspapers Limited. Guyana National Newspapers Limited is a subsidiary of National Industrial and Commercial Investments Limited (NICIL).

Guyana National Newspapers Limited is a subsidiary of National Industrial and Commercial Investments Limited (NICIL).

The Company has obtained a certificate of continuance in accordance with section 339 of the Companies Act of 1991.

The Company's principal activity is advertising through daily and weekly newspapers, selling of daily and Sunday Chronicle newspapers and jobbing work for customers.

The address of the Company's registered office is Lot Lama Avenue, Bel Air Park, Georgetown, Guyana.

These financial statements were approved for issue by the Board of Directors on the 23rd day of March, 2023.

2. SIGNIFICANT ACCOUNTING POLICIES

The principal accounting policies applied in the preparation of these financial statements are set out below:

(a) Basis of preparation

The financial statements have been prepared under the historical cost convention, as modified for the revaluation of certain non-current assets. The financial statements have been prepared in accordance with the International Financial Reporting Standards as issued by the International Accounting Standards Board. The Company's financial statements are presented to satisfy the requirements of the Companies Act 1991. The preparation of financial statements in confirmity with International Financial Reporting Standards requires management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities, and the disclosure of contingent liabilities at the date of the financial statements. Such estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable in the circumstances and constitute management's best judgement at the date of the financial statements. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

Standards, Amendments and Interpretations that are effective in the current year

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the preparation of the Company's annual financial statements for year ended December 31, 2016 except for the adoption of new standards, amendments and interpretations. The following new standards, amendments and interpretations to existing standards have been published and are effective in the current financial year.

IAS 7 - Disclosure Initiative - Amendments to IAS 7 (Effective January 1, 2017)

IAS 12 - Recognition of Deferred Tax Assets for Unrealised Losses - Amendments to IAS 12 (Effective January

IFRS 12 - Disclosure of Interest in Other Entities - Clarification of the scope of the disclosure requirements in IFRS 12 (Effective January 1, 2017)

Notes to the Financial Statements

For the year ended December 31, 2021

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation (cont'd)

Standards, Amendments and Interpretations that are not effective in the current year

The following new standards, amendments and interpretations to existing standards have been published and are not effective in the current financial year.

IFRS 3 Business Combinations - Amendments to IFRS 3 (effective January 1, 2022)

IAS 1 Presentation of Financial Statements - Amendments to IAS 1 (effective January 1, 2023)

IFRS 3 Business Combinations - Amendments to IFRS 3 (effective January 1, 2022)

IAS 16 Property, Plant and Equipment - Amendments to IAS 16 (effective January 1, 2022)

IAS 37 Provisions, Contingent Liabilities and Contingent Assets - Amendments to IAS 37 (effective January 1, 2022)

IFRS 17 Insurance Contracts (effective January 1, 2023)

IFRS 1 First-time Adoption of International Financial Reporting Standards - Subsidiary as a first-time adopter (effective January 1, 2022)

IFRS 9 Financial Instruments - Fees in the '10 per cent' test for derecognition of financial liabilities (effective January 1, 2022)

IAS 41 Agriculture - Taxation in fair value measurements (effective January 1, 2022)

(b) Property, plant and equipment

Property, plant and equipment are stated at historical cost or revalued amounts less accumulated depreciation. Depreciation is provided on a straight line and reducing balance basis at rates sufficient to write off the assets over their estimated useful lives. A full year depreciation is charged in the year of acquisition and no depreciation in the year of disposal.

The rates used are as follows:

Buildings

Vehicles

Furniture and fittings

Plant & equipment

Freehold land was not depreciated.

Rate

3 1/3% - Straight Line 25% - 50% - Straight Line 5% - Reducing Balance 5% - 20% Reducing Balance

Notes to the Financial Statements

For the year ended December 31, 2021

2. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(e) Inventories

Inventories are valued at the lower of cost and net realisable value. Cost is determined by the First In First Out (FIFO) method. Net realisable value is the estimated selling price in the ordinary course of business, less cost to completion and selling expenses.

(d) Taxation

Taxation on the profit or loss for the year comprises of current and deferred tax. Current tax represents charges for Corporation tax. Deferred tax is provided using the liability method, providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amount used for taxation purposes. The amounted of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rated enacted at the end of the reporting period.

A deferred asset is recognised only to the extent that it is probable that future taxable profits will be available against which the asset can be utilised. Deferred tax assets are reduced to the extent that it is no longer probable that the related tax benefit will be realised.

(e) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less a provision for impairment. A provision for impairment of trade receivables is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

(f) Cash and cash equivalents

Cash and cash equivalents comprise cash and deposits convertible into known amounts of cash at short notice.

(g) Trade payables

Trade and other payables are recognised initially at fair value and subsequently measured at amortised cost using the effective rate method.

(h) Revenue recognition

Revenue comprises of income from advertising, newspapers circulation and job printing. Revenues in the form of sales are recognised at the time the goods or service are delivered to the customers.

(i) Expenditure recognition

Expenses are recognised when the goods and services are received.

(j) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the company operates. The financial statements are presented in Guyana Dollars, which is the company's functional currency.

For the year ended December 31, 2021

SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

(k) Foreign currencies

Transactions involving foreign currencies are translated into the functional currency using exchange rates prevailing at the date of the transactions. Foreign currency gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of income.

(I) Comparatives

Certain changes in presentation have been made in these financial statements. These changes had no effect on the operating results, profit after tax or earnings of the company for the previous year.

3. Critical accounting judgements and key sources of estimation uncertainty

In the application of the Company's accounting policies the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The following are the key assumptions concerning the future, and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities in the financial statements:

(a) Useful lives of property, plant and equipment

Management reviews the estimated useful lives of property, plant and equipment at the end of each year to determine whether the useful lives should remain the same.

(b) Impairment of financial assets

Management makes judgement at each reporting date to determine whether financial assets are impaired. Financial assets are impaired when the carrying value is greater that the recoverable amount and there is objective evidence of impairment. The recoverable amount is the present value of the future cash flows.

(c) Deferred taxes

In calculating the provision for deferred taxation, management uses judgement to determine the probability that future taxable profits will be available to facilitate utilisation of temporary tax differences which may arise.

10. Deferred Income

(a) Furniture and fittings

The Health Sector Development Unit (HSDU) under the Global Fund Programme has provided financial support with the purchase of non-current assets (furniture and fittings) for the company. This support, referred to as deferred income, is recognised in the statement of income on a systematic basis over the useful life of the asset. As the non-current assets incur depreciation, the corresponding amount is recognised as income; as such, as a nil effect on the statement of income.

(b) Computer - To- Plate Machine

Guyana National Newspaper Limited received a government grant of \$13.6M which was used to facilitate the purchase of a CTP machine. This grant is not repayable and was recorded as deferred income and non-current assets in the financial statements. It is recognised on a systematic basis over a five (5) years period to match the related cost. There are no conditions and/or contingencies that must be met in relation to the grant.

14. Deferred Taxation

Deferred taxes and temporary differences are recognised using tax rates that have been enacted or substantially enacted by the statement of financial position date and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled.

Deferred tax assets relating to the carried forward of unused tax losses are recognised to the extent that it is probable that future taxable profits will be available to offset. In the year of making profit the deferred tax assets are being reversed using the applicable tax rates and rates and laws prevailing at that time.

For the year ended December 31, 2021

14. Deferred taxation (cont'd)

15

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities, and when they relate to income taxes levied by the same taxation authority, and the company intends to settle it's current tax assets and liabilities on a net basis.

	Weighted average number of ordinary shares in issue	2,448,000	2,448,000
	Basic earnings per share	9.74	(10.86)

22. Financial instruments

(a) Credit risk

There is a concentration of credit risk with respect to trade receivables which are due primarily from the Government of Guyana agencies and departments. The company's historical experience in the collection of accounts receivable falls within the recorded allowances. Due to these factors management believes that no additional credit risks beyond amounts provided for collection losses is applicable in the company's trade receivables.

(b) Fair values

The face value less any estimated credit adjustments for the financial assets and liabilities with a maturity of less than one year are assumed to approximate their fair values.

For the year ended December 31, 2021

22. Financial instruments Cont'd

(c) Liquidity risk

Liquidity risk is the risk that the company will encounter difficulty in raising funds to meet its commitments associated with financial instruments.

The company manages its liquidity risk by maintaining an appropriate level of resources in liquid or near liquid form.

25. Financial instruments (Cont'd)

(c) Liquidity risk (Cont'd)
